

YEARBOOK

2013 - 2014

This yearbook designed by the GPA Yearbook Club. Members this year were:

Jihyo Eom	Juyoung Lee
Seongwoo Hong	Rosa Lee
Jisu Hwang	Simon Park
Bojung Kang	Jiwan Yang
Shirley Kim	Umji So
Youna Kim	Hanmin Yun
Hansol Lee	

Thank you for making a wonderful yearbook to record our memories of this school year!

Mr. Thompson

Table of Contents

Principal and Administrator	4-5
Teachers and Staff	6-9
Student Council	10-11

Juniors	18-19
Seniors	20-21
Orientation	22-23
Cheese Factory Trip	24-25
Student Art	26-27
Music Recital	28-29
Halloween	30-31
Takorea Trip	32
Spanish Conversation Club	33
GPA Harmony	34
Model UN	35
Yearbook	36-37
AP Study Hall	38-39
Cross Country	40-41
Basketball	42-43
Soccer	44-45

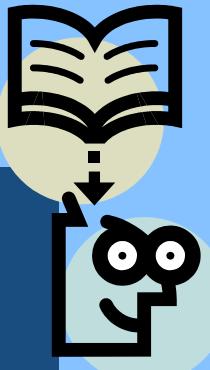

Mr. Heldenbrand
(GPA Principal)

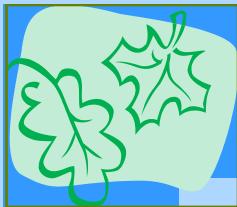

Mr. Jeon
(GPA Administrator)

Letter from the Principal

Wow! “Big Squash”! Another school year at Global Prodigy Academy is complete and we are provided the opportunity to relive our memories through pictures and to realize the importance of our middle school and high school days. In truth, our teenage years serve to mold us and shape us into the people we become. The people we meet each day throughout our years, whether good or bad, teach us to evaluate who we are and to learn how to adjust our perspectives on a variety of relevant issues or maintain our present way of thinking. As you look over each photo in this yearbook, remember to recall the memory and attempt to be thankful of the opportunity for developing yourself into a more mature individual. Enjoy the adventure!

GPA HARMONY

Organization

UN Model is an activity that has been part of GPA for quite a long time. These students are well prepared to make fluid speeches and express their opinion clearly in debate!

YEARBOOK

Periodic Table of the Elements

The Periodic Table of the Elements is displayed on a corkboard. It includes the following features:

- Legend:**
 - Alkali Metals (Yellow)
 - Alkaline Earth Metals (Blue)
 - Transition Metals (Green)
 - Non-metals (Yellow)
 - Lanthanide Series (Purple)
 - Actinide Series (Dark Blue)
 - Halogens (Blue)
 - Inert Gases (Orange)
 - Other Metals (Grey)
- Annotations:**
 - Hydrogen (H) is highlighted with a green arrow pointing to its symbol.
 - A green arrow points to the 'Name' and 'Symbol' of Hydrogen.
 - A green arrow points to the 'Atomic Number' and 'Atomic Weight' of Hydrogen.
 - A green arrow points to the 'Electron Configuration' of Hydrogen.
- Information:**
 - *Based on current knowledge; (W) represents most stable or most abundant expected isotope.
 - ** Some electron configurations are based on theoretical expected arrangements.

Practice!!!

Cross country is not just about running. As coach Mr. Cabrera would say, teamwork is always important in such races. Through this activity, our students learned many things. One thing that we learned for sure is to be motivated to run. With this motivation, they have been practicing for the upcoming cross country competition. Students had shown great improvement as weeks passed.

CROSS

November 15th 2013

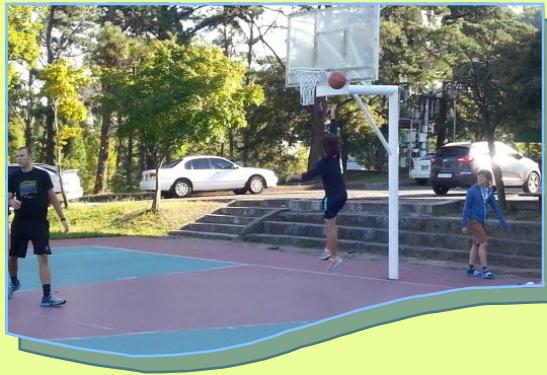

Finally, after training for 10 weeks or so they had finally got to the point where they went to Handong International University for the competition held there. Everyone here started the race with a great urge, and so everyone was able to get a good rank.

After the competition

Coach Mr. Cabrera bought pizza for those who had completed the race successfully. We hope that in the next race, we would win for sure!

COUNTRY

**Mr. Green,
Soohyun Kim,
